APSE-MO Professional Development Opportunity

*Apprenticeship Missouri: A Comprehensive Review of
Talent Acquisition and Retention Strategy*

Registration is now open for the APSE-MO Professional Development in honor of National Disability Employment Awareness Month. Dr. Mardy Leathers (Director of the Missouri Office of Workforce Development) will lead a presentation on apprenticeships; how they can support job seekers with disabilities in developing cutting edge skills and be used as a strategy to assist community rehabilitation providers with developing and retaining a highly skilled workforce of support professionals.
